Kumar, A. Muneesh; Gnanachandra, P.
Exploratory results on finite topological groups. (English) [Zbl 07479372]

Summary: We focus on topological groups and some of its generalizations on finite groups. We enunciate that the assumption $T_0$ is mandatory for a topological group.

MSC:
54H11 Topological groups (topological aspects)
22A10 Analysis on general topological groups
22A25 Representations of general topological groups and semigroups

Keywords:
topological group; finite topological group; finite groups
